

## **Savory & Sweet Catering, of the Bay Area, Receives Recognition for Green Thinking Catering Services**

*Savory & Sweet Catering in the Bay Area received the Green Arrow for System Design and Innovation award for its continuous integration of green thinking to its business model.*

Sunnyvale, CA ([PRWEB](#)) August 30, 2011 -- Bay Area's Savory & Sweet Catering was one of the four California businesses awarded the Green Arrow for System Design and Innovation by the California Product Stewardship Council during the organization's Arrow Awards ceremony held in San Diego. This award recognizes the company's goal of a green [catering menu](#).

"We are so pleased to spotlight the contributions of these businesses and organizations that are truly product-stewardship stars in California," said Heidi Sanborn, Executive Director of the CPSC.

The award adds to the company's history of excellence of [catering services](#) and is in the top 14 caterers in Silicon Valley. Savory & Sweet Catering is Green Certified Caterer for 6 years, a 2010 CA WRAP Award Winner, a 2010 Cool California Award of Excellence Winner and a Member of the Green Business Council. The company continues its goals of conserving resources, being energy efficient and creating a healthful environment through recycling. The company is also the first U.S. business to purchase a Korean composting tub that turns food scraps into a soil every 24 hours.

With more than 10 years in the catering industry, Savory and Sweet Catering integrates its green and environmental movement by ensuring every aspect of their catering events are edible, re-usable, compostable or recyclable. The company manages to be innovative while staying green, which makes Savory and Sweet the perfect role model to all other food and catering businesses in the country.
