Airports & Transportation

Fly into to either the San Francisco or Oakland Airports

San Francisco Airport:

The BART (Bay Area Rapid Transit), a public transportation system, is any easy connection at the San Francisco Airport and takes you directly into Berkeley. Take the Richmond train and exit at the “Downtown Berkeley” stop. It’s about a 45 minute BART ride from the Airport. The fare is \$8.95 each way.

The Hotel Shattuck is one block away from the BART exit so it’s a quick walk. The City Club and the Durant hotels are less than a mile away from the BART Station. The Claremont would require a short taxi ride.

Oakland Airport:

The Oakland Airport provides a shuttle to the Coliseum BART Station. Take the Richmond train to Berkeley and exit at the “Downtown Berkeley” stop. It about a 30 minute BART ride. The fare is \$2.70 each way.
