

Residential Sharps Mail Back Program

www.RepublicSharps.com

Why Develop a Sharps Program?

- **To Service The Needs Of Our Customers:**

- Sharps disposal is a service that our customers both need and desire.
- Sharps disposal is a service that cities, states and municipalities both need and desire.

- **To Keep Our Communities Safe:**

- Needles disposed haphazardly in the waste stream present a danger to the community, families, friends, neighbors and/or anyone else that may come into contact with improperly disposed of sharps.

- **To Protect Our Employees:**

- Employees of Republic Services and/or other environmental services companies managing the waste stream are at constant risk due to improperly disposed of sharps.

Servicing Our Customers While Protecting The Community

- The number one priority for Republic Services is the safety of our employees and the safety of the community.

- Republic Services believes that using a sharps container protects both people and our environment and is the responsible way to dispose of a needle.

- Republic Services has aligned with an industry leader in medical sharps disposal, Stericycle, to deliver a convenient, efficient, compliant and safe way for our customers to dispose of medical sharps from the convenience of their homes.

How Does the Republic Sharps Mail Back System Program Work?

Convenient:

Customers place their orders on our website at www.republicsharps.com

Efficient:

Customer will receive the Republic Sharps Mail Back System via FedEx or other carrier.

Compliant:

Customer fills the container, completes the disposal tracking documentation, and returns the container via the United States Postal Service for compliant disposal.
