

LAMP HANDLING GUIDE (rev. 7/16/09)

YES – WE CAN RECYCLE

- Fluorescent Tubes/Bulbs - Straight, U-shaped and circular fluorescent tubes

- Compact Fluorescent Lamps (CFLs) – Spiral, U-shaped, round and other shapes and sizes fluorescent lamps with ceramic or plastic bases

NO - WE CAN'T RECYCLE

- High Intensity Discharge (HID) mercury vapor and other large size Lamps
- Regular Incandescent lamps
- Other hazardous products
- Refer to Tuolumne County's HHW program 533-5588 or www.tuolumnecounty.ca.us
- Ask your store manager when in doubt

HANDLE LAMPS PROPERLY

- Assist customers with tubes
- Place tubes immediately in storage container
- Broken bulbs must be placed in the haz mat area and not in boxes or pails
- Make sure CFL's are in plastic bags and placed in the pail
