California Paint Infrastructure Survey

1. General Program Information

Please complete this 5-page survey only for program types (i.e., permanent facility, temporary, mobile, door-to-door, retail, etc.) where paint is collected. If you have more than one permanent facility, please complete a separate survey for each facility.

Questions? Please email julia@calpsc.org or call (650) 580-8291.

DEFINITIONS:

Alkyd = oil-based paint

Latex = water-based paint

FACILITY KEY:

ABOP = Limited to Antifreeze, Batteries, Oil and Paint collection or a combination thereof

CESQG = Conditionally Exempt Small Quantity Generators

ICI = Industrial, Commercial and Institutional Generators

SURVEY WINDOW:

If survey questions are spaced too tightly or loosely in your browser window, widen or reduce the width of the window to adjust.

NAVIGATION:

To go back to a previous page at any time while taking this survey, press the "PREV" button at the bottom of the screen.

Do not press the "DONE" button or "EXIT SURVEY" link until you are completely finished; once you leave the survey, you will not be able to return to it.
