Oct 20, 2022

Local business leaders attended the Sacramento Area Sustainable Business Awards on Sept. 21 at Golden 1 Center. The awards, which recognize environmentally proactive businesses, are a program of the Sacramento County Business Environmental Resource Center.

See names and faces from the event in the slideshow above. Award recipients included:

- **Energy conservation:** The Center at District56 in Elk Grove
- **Water conservation:** Dr. Upen J. Patel, a dentist
- **Pollution prevention:** City of Elk Grove Special Waste Collection Center
- **Solid waste reduction:** California Product Stewardship Council
- **Transportation and air quality:** Lionakis
- **Green building:** California Natural Resources Agency Headquarters
- **SMUD Clean Power City Sustainable Building:** Alliance Property Group and California Commercial Investment Group Inc.
- **SMUD Clean Power City Carbon-Free Transportation:** St. John's Lutheran Church

2022 Sacramento Region Innovation Awards

The Sacramento Region Innovation Awards will recognize finalists and spotlight winners in industry sectors. Attend the awards reception to celebrate pioneering innovations and the local talent behind new products, services and processes.
