

Ella Muse Laigo

Intern

California Product Stewardship Council (CPSC)

Ella studied at California State University, Sacramento, and graduated with a Bachelor of Science in Fashion Merchandising and Management in May 2026. She specialized in graphic design, sustainable fashion and textile advocacy, and event coordination.

Before her time at CSU Sacramento, she completed her A.A. in Sociology at Los Medanos College, where she was introduced to societal issues related to textile waste and working conditions. During this time, she also held the position of Social Media and Marketing Intern with the Contra Costa Community College District.

At CSU Sacramento, she focused on sustainable fashion and textile advocacy and outreach, completing internships with non-profits Fibershed and WEAVE Thrift. During these internships, Ella assisted with research on the possibilities of SB707 implementation, created social media campaigns addressing textile recycling myths, and learned about thrift-store retail operations to support marginalized communities. She served as the Officer of Graphic Design for the Student Fashion Association and as the Event Planning Coordinator and Lead of Branding and Graphics for the Fashion Department's 'Fashion Futures Day' event.

Since graduating, Ella works with Black Girls in Archives as a Graphic Design Intern. There, she creates social media posts to raise awareness and educate about gaps in fashion archives within the Black Community.

In 2026, Ella joined CPSC as an intern supporting education and outreach in the textile sector and administrative tasks. Email Ella at Ella@calpsc.org and connect on [LinkedIn](#).
